

**Low or No-cost Breast and Cervical Cancer Screening Services/  
 Follow-Up Care Available for Women**

*Breast and Cervical Cancer Control Navigation Program  
 is ready to help*

Whether insured or not, the Breast and Cervical Cancer Control Navigation Program (**BCCCNP**) will help women receive the care they need.

The BCCCNP can arrange for program-eligible women to receive breast and cervical cancer screenings, follow-up care for an abnormal test result, and treatment – if breast or cervical cancer is diagnosed.

Eligible women must be between the ages of 21-64 (cervical) and 40-64 (breast) with an income ≤ 250 % of the Federal Poverty Level.

# of people in the household	Yearly Income	# of people in the household	Yearly Income	# of people in the household	Yearly Income
1	\$31,225.00	3	\$53,325.00	5	\$75,425.00
2	\$42,275.00	4	\$64,375.00	6	\$86,475.00

- Uninsured women can enroll in the program and receive cancer screening services (mammograms and Pap tests) at no cost.
- Underinsured women (women with high deductibles) may receive screening and/or diagnostic services not paid by their insurance.
- Women diagnosed with breast or cervical cancer may also be eligible to receive treatment through the BCCCNP Medicaid Treatment Act (MTA)

Call 906-789-8110 for Kristi Steger,  
 BCCCNP Upper Peninsula Regional Coordinator, to find out if you are  
 eligible to receive program services.
