What is MIHP?

(Maternal Infant Health Program)

MIHP is a Home Visiting program for pregnant women and infants with Medicaid insurance. MIHP provides support service to women and parents so they have healthy pregnancies, good birth outcomes, and healthy infants.

What are the benefits of MIHP?

An experienced health professional such as a Public Health Nurse, Social Worker, and Dietician will provide home or clinic visits and will:

- ☼ Help you get prenatal care.
- ☼ Answer questions about being pregnant.
- ☼ Answer questions about caring for your infant.
- ☼ Help you learn about fixing and eating healthy foods.
- ☼ Help with health problems that could affect your pregnancy.
- ☼ Help with changes that you decide to make to be healthy, such as quitting or cutting down on smoking, alcohol or drugs.
- ☼ Help if you are concerned about abuse/violence in your life.
- ☼ Answer questions about family planning (birth control).
- ☼ Connect you with community services, such as childbirth education.
- ☼ Help you get food or a place to live.
- ☼ Help with transportation to medical appointments and childbirth and/or parenting classes.
- ☼ Be there for you if problems come up.
